

Upcoming changes in Sentosa

The island will undergo several changes, including getting a new attraction and refreshing old ones, in a bid to remain relevant and competitive as a regional tourist spot.

- 1 Merlion Gateway Precinct revamp**
An elevated walkway that provides an aerial view of the island's beaches will be built.

- 2 Merlion revamp**
The 37m-tall Merlion will be refreshed with new content.

- 3 Expansion of the Skyline Luge Sentosa**
Two new tracks will be added later this year, making a total of four tracks.

- 4 AJ Hackett Sentosa**
In August, Singapore's first 50m-tall bungee tower will open on Siloso Beach.

- 5 New adventure attraction**
The Sentosa Development Corporation launched a tender last month for an outdoor attraction "combining nature and adventure elements" targeted at thrill-seekers, youth and families.
