

# New rules for bicycles and personal mobility devices (PMDs)

## Enhancing the safety of pedestrians

- Register electric scooters (accepted by the Government in March 2018).
- Have 10kmh speed limit for motorised personal mobility aids like motorised wheelchairs.
- Lower the 15kmh speed limit for PMDs and bicycles on footpaths to 10kmh.

## Enhancing the safety of PMD users and cyclists

- Require PMD and bicycle users to stop and look out for traffic at road crossings.
- Require bicycle and e-bicycle users to wear helmets when travelling on roads.
